

HITMAKER EXPANSION

Focusrite's Scarlett audio interfaces now include an incredibly comprehensive and powerful plug-in bundle worth over \$1,500

Create studio quality vocals, powerful guitars, luscious keys and huge drums, then mix and master with iconic Focusrite studio hardware – all in the box. Every new Focusrite Scarlett interface purchased and registered on or after October 1, 2021 comes with an unbeatable range of tried-and-tested studio tools from some of the biggest names in the business.

Hitmaker Expansion – available to every newly registered interface user – is built to get you creating records immediately. These are all the tools you need to write, produce, mix and master your music in studio quality.

Antares® Auto-Tune® Access – Allows everything from natural sounding, near-real-time pitch adjustment for getting the best vocal takes – to lightning-fast Hip-hop-inspired pitching for adding a whole new sound to your tracks

Relab's LX480 Essentials – Provides four reverbs, modelled on The Hit Factory NYC's reverb unit, and used on countless hits

Softube® Marshall® Silver Jubilee 2555 – A hyper-realistic model of Marshall's Silver Jubilee 2555 – the modern evolution of the iconic JCM800 – brought to you by analogue modeling experts at Softube

XLN Audio® Addictive Keys – Choice of one of four professional-sounding models from Steinway®, Yamaha® and the classic Rhodes®

XLN Audio Addictive Drums 2: Studio Rock kit – Features expertly captured samples from a high-end Tama® and Pearl® drums, and Paiste® and Sabian® cymbals, recorded at Decibel Studios in Stockholm

Brainworx bx_oberhausen – Fully-analogue modelled replica of a classic American polysynth

Three Month Splice Sounds Subscription – Get access to millions of high-quality, royalty-free one-shots, loops, and presets, with new releases daily

Brainworx bx_console Focusrite SC – Brings the true sound of the preamps that made Focusrite what we are today to your music

Focusrite Red Plug-in Suite – Meticulously captured digital models of the truly iconic EQ and Compressors which have made the Focusrite name a staple in world-class facilities across the globe

Brainworx bx_masterdesk – Brings a smooth and simple workflow to the art of mastering, and allows anyone, from first-time-producer to industry pro to get studio-quality results quickly and effortlessly

Ableton® Live Lite – The most loved software for making electronic music

Avid® Pro Tools® | First Focusrite Creative Pack – Adds 21 powerful plug-ins, all taken from the acclaimed Avid® Eleven Rack

Access to Focusrite's Plug-in Collective – Receive free versions of the most innovative software, as well as benefiting from discounts
